THE BAAN BORAN HOTEL  
AT THE GOLDEN TRIANGLE, CHIANG SAEN  
CHIANG RAI, THAILAND

The Baan Boran Hotel is ideally located at The Golden Triangle, close by the historic town of Chiang Saen, yet enjoying its own splendid isolation. Situated on a hill overlooking the Mekong river, it is a luxurious mountain resort affording superior accommodation complemented by unparalleled views of the surrounding countryside. This distinctive property is another brilliant development by renowned architect and hotelier M.L. Tridhosophy Devakul and his interior designer brother, M.L. Thaodeva. As with their other highly acclaimed deluxe hotels, such as Le Meridien Phuket and The Phuket Yacht Club Hotel & Beach Resort, The Baan Boran Hotel combines exciting architecture and traditional design motifs with an unspoilt natural setting. It is indeed naturally exclusive.

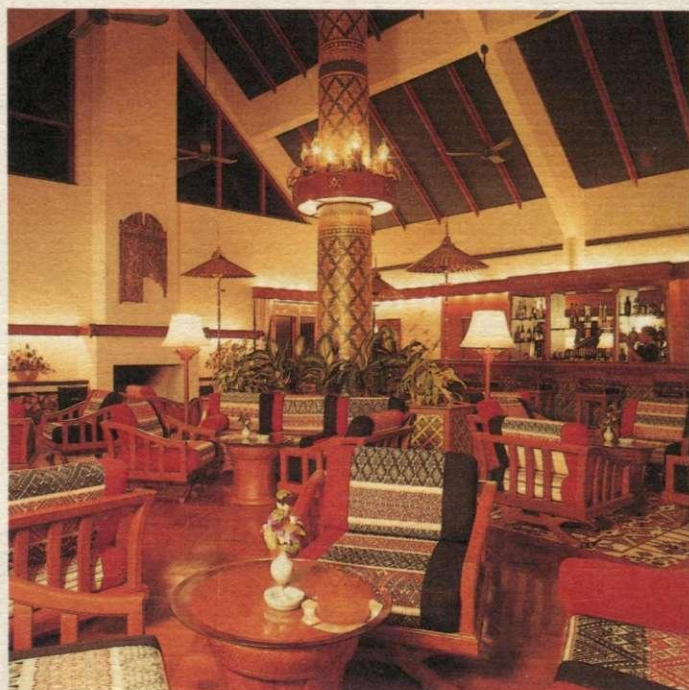

All of The Baan Boran Hotel's 110 deluxe guest rooms and suites are spacious and exquisitely appointed to afford the utmost comfort and convenience. Deluxe amenities include colour television with in-house videos, mini bar, personal safe and private bathroom complete with massage shower. Each room has its own balcony commanding uninterrupted views of the Mekong and Ruak rivers and the lush mountains beyond.

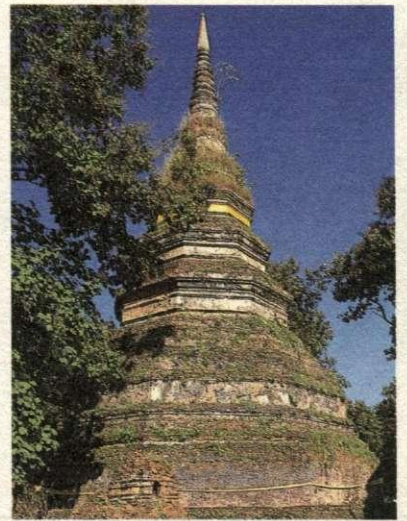

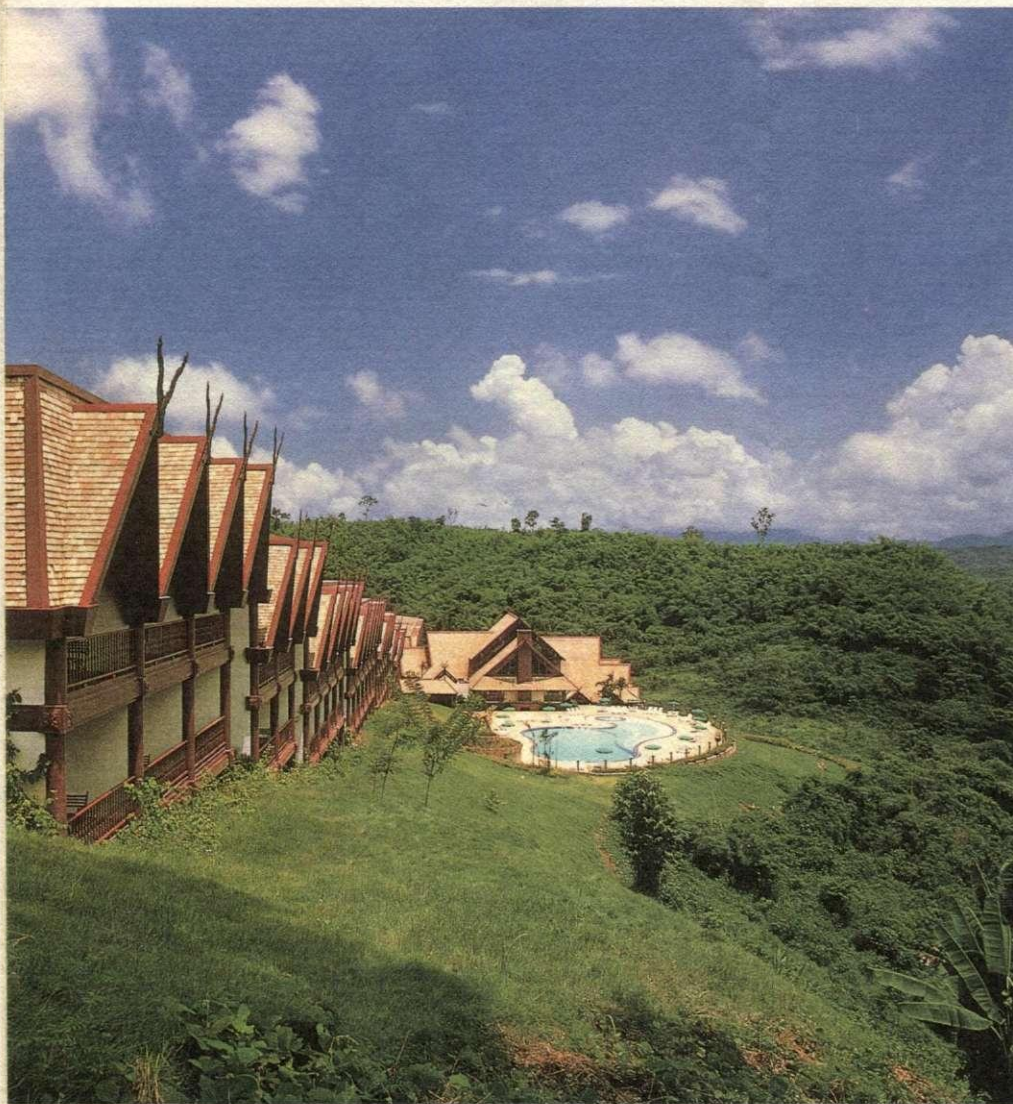

To complement the fine accommodation, The Baan Boran Hotel provides a selection of Oriental and Western cuisines served in a choice of venues. Casual all-day restaurant is to be enjoyed in the airy setting of Yuan Lue Lao overlooking the Ruak river. Alternatively, Suan Fin is a superb dining room offering the finest Thai and European dishes presented in an intriguing setting with a decor motif inspired by the region's opium fields. The Trafficker Rendez-vous has a fireside ambience and is the place to relax at cocktail time with piano music, while The Triangle Deck provides an informal open-air venue for drinks, light refreshments and full meals. Other facilities include pool, tropical gardens and The Maesalong Room, a splendid function room fully equipped to host meetings and seminars.

Just an hour's flight north of Bangkok lies one of the most evocative travel destinations in Southeast Asia – The Golden Triangle. Here the Ruak river joins the mighty Mekong and the borders of Thailand, Myanmar and Laos meet. It is an area where an air of timelessness and mystery is enhanced by the stunning natural beauty of mountains, forests and rivers. Among the rich and varied sights are the villages of colourful hill-tribes and monuments attesting to an ancient culture. Whether for sightseeing or merely relaxing amid superb natural scenery, the Golden Triangle offers an idyllic escape.
